

It can be easy to talk about sexuality...honestly!

Adults, teens and children need accurate information and the ability to communicate about sexuality and sexual health. Melanie Davis's developmentally appropriate, interactive presentations make learning meaningful and fun.

People Are Saying...

"This was no cold, scientific explanation of the birds and bees from an academic; rather, it was a warm, funny, down-to-earth explanation of when, how and what I can say to my kids."

"Melanie's demeanor was professional, witty and very friendly, making all the attendees comfortable with a subject that can be quite awkward."

"You really helped us open the door to conversations that we need to be having in our church."

"Melanie gave good, practical advice. She addressed nuances and hidden meanings behind what we say and do, which will raise my level of awareness in the future."

Workshops and Presentations

About Melanie Davis, M.Ed.

Melanie's dynamic workshops have been received enthusiastically by schools, medical practices, religious organizations, businesses, and community groups.

Melanie has been a communications professional since 1984 and a sex educator since 1999. She founded Honest Exchange LLC in 2006 to offer sexuality education consulting and resource development.

Melanie is an adjunct professor of Human Sexuality at Moravian College. She is a doctoral student in Widener University's Human Sexuality Education program and holds an M.Ed. in Human Sexuality Education and B.A. in Mass Communications. She received the 2007 Emerging Professional Award from the Society for the Scientific Study of Sexuality.

Melanie wrote *Sexuality Talking Points: A guide toward thoughtful communication between parents and children* and co-authored *Principled Commitment*, a relationship enrichment curriculum.
