

Taking the Mystery out of Female Orgasm

"An excellent guide to help all women experience sensual and sexual pleasures."
Beverly Whipple, PhD, RN, FAAN, Professor Emerita, Rutgers University

This reader-friendly, 8-page illustrated brochure answers common questions about orgasm. Women will gain confidence from supportive tone and comprehensive content. This scientifically up-to-date piece can be used as a stand-alone resource or as educational tool to begin dialogue between health professionals and patients. Online and print resources enable women to continue learning on their own.

Sexuality Talking Points A guide toward thoughtful conversation between parents and children

"Sexuality Talking Points is the perfect stepping stone for parents who want to raise sexually aware and confident children. I recommend it to all parents, no matter how old their children are."
Jen Singer, author of "14 Hours 'Til Bedtime"

Enthusiastically reviewed by parents and sex educators, this manual includes engaging text, illustrations and exercises that help parents pinpoint the sexual values and information they want to discuss with their children and teens. Tips include conversation starters that will help children grow into sexually healthy adults.

Sexuality Talking Points Audio Book

This 2-CD set includes the main text from the manual, without the written exercises. Great for learning on the go!
